Bell, Rob	<p>NOOMA series The NOOMA series are an excellent resource for creatively accessing and discussing certain Biblical texts and concepts. Rob Bell, the author of this series, has recently shifted in his theological position and holds certain views that are contrary to that of Keystone. Those areas of disagreement, however, are not touched on in this video series, so we are comfortable allowing their use for small group studies. The content is excellent but the creator of the content is not a teacher we would recommend beyond this particular content. Thanks, Pastor Ken</p>	<p>Corner, Flame, Kickball, Matthew, Noise, Rhythm, Sunday, Trees. Jesus lived with the awareness that God is doing something right here, right now, and anybody can be a part of it. He encouraged his listeners to search, to question, to wrestle with the implications of what he was saying and doing. He inspired, challenged, provoked, comforted, and invited people to be open to God's work in this world. Wherever he went, whatever he did, Jesus started discussions about what matters most. God is always inviting us to open our world from a perspective of Jesus.</p>	DVD Led	GROW
