

SPIRITUAL GROWTH JOURNEY COURSE GUIDE

Welcome to the Spiritual Growth Journey Course Guide

Our mission as a church is to love and lead people in a growing relationship with Jesus Christ. These courses are designed to assist you in your spiritual growth and development. The courses are grouped by Keystone's four pursuits, known as "**The 4**": **Grow, Connect, Reach, Share.**

The courses do not need to be taken in any particular order and we would encourage you to take courses from each of the different areas as you work your way through them all.

The courses will be offered at different times and dates throughout the year. Watch the Keynotes for the latest course schedule.

Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Matthew 28:18-20 (NIV)

Grow

These courses are designed to help you grow in your relationship with God and your love for Him.

Starting Point

Every journey has a starting point, even a faith journey. Starting Point is an eight-session small group conversation about faith. It is for people who are brand-new to Christianity, who are coming back to church, or who just have questions or doubts about faith, God, and spirituality. Starting Point is a safe place to explore Christianity and where your opinions and beliefs are valued and no question is off limits.

Beliefs 101

What is God like? Is the Bible really inspired? Who is Jesus? How should we live? These are fundamental questions that have a vast impact on our lives and how we look at the world. In this four-session study we'll look at our core Christian beliefs and values and how they impact our lives.

Closer

How do we grow in our relationship with God? One way is by practicing the classic disciplines of the Christian life: worship, prayer, service, fasting, and more. The aim of this seven-session study is to help us understand and enjoy (not dread!) the various disciplines, and to grow closer to God by integrating the disciplines more fully into our lives.

Red Letter Prayers

Prayer is an essential part of our relationship with God, but many people don't know how to pray or even what to pray about. Throughout his life Jesus gives us some great examples of prayer as he talked with his Heavenly Father. In this four part series, we'll examine some of the prayers of Jesus and see how we can learn to pray, and pray better, by following his example.

Getting the Most Out of Your Bible

The Bible can be an intimidating book. We often don't have a clue how to read it, much less understand it or apply it to our lives, but that doesn't have to be true. In this six-session study you'll learn the basics of how to read and understand the Bible for yourself. You'll gain an understanding of how the Bible was put together, the different types of literature within it, and how to make sense of it all and apply it to your life.

Israel's Mission

God gave the assignment to his people thousands of years ago: to bring "lost sheep" back into the love and safety of his kingdom. It's still our task today. In this five-session study you'll discover the mission that God gave the nation of Israel in the Old Testament - to engage a sinful and broken culture and shine God's light into the darkness - and learn how that is still our mission today.

The Mission of Jesus

Jesus was, and often is, misunderstood. But he was clearly on a God-given mission which was fulfilled through his life, death, resurrection, and ascension. What did this mean for the people who lived with him, and what does it mean for believers today? In this five-session study, we'll explore the mission Jesus was on and how it changed the world forever.

Reach

These courses will help you share with others God's message of love, hope, and forgiveness.

Christian (It's Not What You Think)

What does it mean to be a Christian? Ask 100 people that question and you are likely to get 100 different answers, but Jesus called his followers to be "disciples." Being a disciple isn't as simple as going to church services or believing a set of facts, it is an active lifestyle. It

requires effort and sacrifice. It is about loving others as Jesus did. In this eight-session study, you'll be challenged to rethink what it means to be a Christian.

Becoming a Contagious Christian

Sharing your faith doesn't have to be scary or awkward. In this six-session study, you'll learn how to tell others about your faith in a natural and effective way that fits the way God made you to be. You'll learn practical methods to effectively and confidently share what God has done for all of us and how he has worked in your own life. You'll gain a new perspective on what it means to share your faith and how easy it can be.

Everyday Questions

Our friends, neighbors, co-workers, and family all have lots of questions. This nine-session study will equip you to respond to difficult questions about life and faith. Everyday Questions will prepare you to listen more carefully, ask the right questions, start meaningful conversations, build strong friendships, and effectively share the gospel with those around you. You'll be ready to have helpful conversations about life's toughest questions.

Connect

These courses will help you connect with others who are also growing in their faith.

Membership

Interested in becoming a member of Keystone? This is the place to start. This one-session gathering that lasts for about two hours is an opportunity to learn more about who we are and why do we what do. You'll learn about Keystone's beliefs, mission, vision, and values, and what it means to be a member. There are also plenty of opportunities to ask questions so you'll be better able to make an informed decision about membership.

Lead Like Jesus

Scripture offers more leadership wisdom than we can imagine, including the greatest leadership role model of all: Jesus. There is no attribute of leadership that Jesus did not model as he trained his disciples, and we cannot go wrong by following his example. This six-session study will help you to lead like Jesus which will make a profound difference in your life and in the lives of those you influence.

Small Group Leader Training

Our small group leaders are vital to helping us fulfill our mission as a church. They are the ones who are helping to make disciples who make disciples. We want to ensure that our SGLs feel equipped and secure in their roles and are ready for the joys and challenges of leading a group. Training huddles are offered several times throughout the year and cover a variety of relevant topics.

Share

These courses will help you learn how to use and share your time, talents, and treasures.

Grace Walk

Grace Walk is an eight-week study about God's grace and understanding our identity in Christ—who we really are—and how we can walk in grace. You will discover the freedom of your new life in Christ and how you can let him live his life through you each day. As you experience your true identity in Christ, you'll come to know "Amazing Grace" as not just a song but as your true way of life.

The Fruit of the Spirit

Love. Joy. Peace. Patience. We desire to exhibit these qualities in our lives, but anger, stress, and impatience seem much more abundant. So how do we cultivate those good qualities? Those characteristics (the fruit of the Spirit) are the result of our

response to God working in our lives. In this four-session study you'll gain a deeper understanding of the nine fruits of the Spirit in Galatians and how you can bear more good fruit in your life.

Christian Life Profile Assessment

Are you thinking, acting, and becoming more like Jesus? A healthy Christian life can be summed up by thirty core competencies of beliefs, practices, and virtues. Broader than a spiritual gifts inventory or a personality profile, this tool, delivered over two sessions, will show exactly where you stand and help you plan for the road ahead.

Divine Design
